Yes. ORC should have contacted Teresa the week following our trip.

FYI. I met with Christina and Hillary today to kick our planned AOC work into high gear. I provided guidance on what an AOC might include and asked them to develop possible enforcement options. Staff are planning to meet with ORC on Monday. I asked Ivan to ask Janet to follow up with Teresa and I'm disappointed this hasn't already happened. This work will be our top priority and the team understands this. I'll meet with the team next week.
